

BENTON COUNTY QUORUM COURT

JUDGES REPORT

September 25, 2014

- The Courthouse Feasibility discussions are ongoing. We are looking at options for design layout, financing, phasing and location.
- Fisher Ford Bridge will be complete in December of this year.
- Colonel Meyers Bridge is under construction with completion scheduled in mid-November this year.
- Windmill Road construction will be complete October 1st.
- We have agreed with the City of Bentonville to request State Aid for improving NE J St from Tiger Blvd to Price Coffey. The request has been approved by State Aid.
- Discussions are ongoing about the counties involvement to access the new Bentonville West High School. The traffic study has been submitted.
- Jeff Clark will have the 2015 Road Plan at the October Finance Committee Meeting.
- The first meeting to discuss the facts surrounding the Ambulance service in unincorporated Benton County seemed to go very well. The meeting at Centerton City Hall was well attended and the Justices of the Peace provided a great overview of information concerning the upcoming ballot initiatives. Special thanks to Justice Joel Jones on an excellent power point on the election and citizen information on the issues.
